Please note this is a basic overview of the planning for this week. For more details, see the planning on the class noticeboards, class timetables and visual timetables.

It is impossible to cover in this outline all the learning that takes place during a week! We also believe in listening to your children and responding to the children's interests and ideas therefore all our planning is **very** flexible. Please note some of the learning will take place across more than one week and during some weeks the learning focus may not cover all curriculum areas.
