

**Hassocks Infant School**  
**Weekly information for Parents and Carers**  
**Weekly Overview**

Year Group: 2

Date: W/C 6.2.23

Area of learning	What we will be learning
<b>Communication, Language and Literacy</b>	<p>In English, we will be continuing our learning on the features of non-fiction writing. We have learnt about the inventor, James Dyson and will be continuing to use this knowledge in our own non-fiction posters.</p> <p>The spellings for this week are: One, Two, Three, Four , Five</p>
<b>Mathematical Development</b>	<p>In Maths, we will be learning about how to use a tally and taking this further by exploring pictograms and how to interpret them.</p>
<b>Creative Development</b>	<p><b><u>DT</u></b>            We will be evaluating our moving trolley by thinking about what worked well and how we would change it if we were to make another one.</p> <p><b><u>Music</u></b>            During Inventor's Day, we will be letting the children invent their own piece of music. This music will apply their previous learning of how to change the structure of songs and how to layer different parts. They will be working hard to invent this as a group,</p>
<b>Knowledge and Understanding of the world</b>	<p><b><u>RHE</u></b>            We will be completing our Jigsaw learning about 'Dreams and Goals' by reflecting on our learning in this topic and discussing what we feel are important characteristics we should have in order to achieve goals which we set for ourselves.</p> <p><b><u>History</u></b>            We will be reflecting upon our learning about Mary Anning and her impact upon fossil discoveries in history.</p> <p><b><u>Science</u></b>            We will continue to apply our knowledge of materials to understand about what it means for something to be waterproof. Specifically, we will be discussing waterproof clothing.</p> <p><b><u>RE</u></b>            We will be continuing our learning on Judaism by looking at the Seder meal, why it is significant to Jewish people and why it is shared at Passover.</p>
<b>Physical Development</b>	<p>This term we will be exploring dance and apparatus gymnastics.</p>
<b>Any Other Information</b>	<p><b><u>INVENTORS' DAY:</u></b>            On Friday 10<sup>th</sup> February we will be having an Inventors' day for the children at school. You should have received more information about this last week and we look forward to seeing the children in their outfits!</p> <p><b><u>Last Day</u></b>            The children will be coming home with their P.E kits for them to be cleaned on the last day of term. There will also be an opportunity for any lost items to be collected outside on the Year 2 playground at the end of the day.</p> <p><b>Thank you for your continued support.</b>  <b>The Year 2 Team</b></p>
