Thank you for your continued support,

The Year 2 Team

Please note this is a basic overview of the planning for this week. It is impossible to cover in this outline all the learning that takes place during a week! We also believe in listening to your children and responding to the children's interests and ideas and therefore all our planning is **very** flexible. Please note some of the learning will take place across more than one week and during some weeks, the learning focus may not cover all curriculum areas.
