

### Ask me...

- About something that I find tricky to do but would like to keep practising
- To find something that is taller than me!
- To order three items, according to their length.

### Show me...

- Items in our freezer, can I touch it, how does it feel? Why does it feel like this?
- How to measure the length or height of something, using a measuring tape or ruler
- Something being heated up e.g. in the microwave e.g. what changes happen?
