

### Ask me...

- What 3D shapes can you find? Do you recognise any 2D shapes on them?
- What happens after you plant a seed?

## Weekly Wonders

W.B:23/2/26

### Show me...

- A circular object as a 'base' of a pizza. Add a variety of items as the toppings (up to 7). Children close their eyes and add/ take away an amount– are there more or fewer?

**Sharing story:** Plant a Tiny Seed

### Tell me...

- Different ways to make eight.
- A tricky word, can I find it? (use a list)
- What your favourite flower or plant is and why.
