ART IN THE STYLE OF ......

PABLO PICASSO!

# Pablo Picasso was Spanish He lived between 1881 & 1973

# Picasso drew/painted many portraits in his life.

This is Picasso's son Paul as a child

This is a self portrait

Oh dear!

Today you're going to draw like this!

What you need to do:

Draw 2 portraits of yourself or someone in your family from the neck up
(using wax crayons, felttips or pastels)

Place the 2 portraits together & cut as shown
Cut into 6 pieces

Stick pieces together on coloured paper

You can be imaginative with the colours you use when drawing, look at Picasso's!

Paper clips

Cut along
lines

This is what Your "Picasso-style" portrait will look like!
