Easter BINGO

Expressive Arts and Design	Understanding the World	Maths	Literacy	Physical Development	Personal, Social and Emotional Development
----------------------------	-------------------------	-------	----------	----------------------	--

Each of these activities cover many different areas of learning and subjects, but this key gives an idea of the main focus so you can choose a range of subjects, if you wish.

- 1) Easter basket instructions <https://www.youtube.com/watch?v=FeAgptjByag>
<https://www.thecrafttrain.com/printable-easter-bunny-baskets/>
- 3) Chocolate nests <https://www.bbcgoodfood.com/recipes/shredded-wheat-nests>
- 4) Make some binoculars and go on a 'Signs of Spring' hunt. You could draw a map of your garden and mark on all the interesting things you find.
- 6) You can give them each a number and, using a small ball, or simply some tin foil screwed up into a ball, bowl it to you skittles. Add together the numbers you land on each time and keep score to turn them into a fun maths game! Or write on letters and see what words you can make – real or alien! First person to make 5 words wins!
- 7) Can you compete in a **fair** competition? Can you follow the rules and be a good competitor?
- 8) Soak an egg overnight in vinegar and watch the shell disappear. Talk about what happened – *Why? How?*
<https://www.youtube.com/watch?v=5NtTMVufqMM>
- 9) Get creative and print an Easter card. Who will you write yours to?
- 10) Grass growing <https://mothernatured.com/animal-craft-ideas/egg-grass-heads/>
- 12) Listen to or read the Christian story of Easter and make your own garden showing new life on Easter morning.
- 13) Make your own Easter-themed noughts and crosses game; Chicks and Hot Cross Buns? Bunnies and Carrots? Can you develop logic and strategy to be the winner?!
- 14) Salt dough Easter decorations <https://www.bbcgoodfood.com/howto/guide/how-make-salt-dough-recipe>
- 15) Make your own playdough Easter egg and decorate with patterns made from pasta/cut up straws, beads, buttons etc <https://theimaginationtree.com/best-ever-no-cook-play-dough-recipe/>
- 16) Read/write simple clues to make an Easter egg hunt.
- 17) Bouncing chicken - <https://www.youtube.com/watch?v=ExwU5bbxeAE&feature=youtu.be&app=desktop>
- 18) Plant cress seeds on cotton wool in paper cups. Put photos of you and your family on and watch your hair grow! Keep a diary of what happens!
- 19) Peter Cottontail and the Ticky Monkeys yoga <https://www.youtube.com/watch?v=MEp9euhuu2E>
- 20) Make an Easter game – Draw pictures on cards to make snap, pairs or lotto (a game that is played like bingo, but pictures are used instead of numbers). Use cardboard, like old cereal boxes, then draw on pictures that make you think of Spring and Easter and cut out the cards and boards. Can you take turns and play fairly?

We have also put lots of printable Easter activities on the school website if you would like to use them!

And don't forget!

The Cosmic Kids Youtube channel has an amazing collection videos to support many aspects of wellbeing. Choose from: stories told through yoga; mindfulness activities to help focus; yoga poses to develop strength and balance, short dance bursts to quickly get out some excess energy and guided relaxation to help calm.

Which will you choose today?
