

**In My Garden**  
*by Moira Andrew*

What can you see in my garden?  
What can you see on the wall?  
Slugs and snails and caterpillars  
And a spider learning to crawl.

What can you hear in my garden?  
What can you hear from the tree?  
Robins and thrushes and blackbirds –  
You can hear them singing to me.

What can you find in my garden?  
What can you find under a stone?  
Ants and worms and woodlice  
And a stag beetle living alone.

What can you smell in my garden?  
What can you smell in the grass?  
Lavender, lilies and roses –  
You can smell them as you pass.
