PSHE

Feeling grateful – During this strange time, it can be easy to forget all the good and positive things we have in our lives. Use the links below to help you learn and think about how you can feel grateful.

<https://www.youtube.com/watch?v=T5Umo80x9og>

<https://www.youtube.com/watch?v=JlodsXEvo4U>

Talk to your family or a friend about what you are thankful and grateful for. Draw a picture of the things you think of.

Gratitude is one of the sweet shortcuts to finding peace of mind and happiness inside. No matter what is going on outside of us, there's always something we could be grateful for.

Write around it what you can do to feel positive and show you are grateful for the things you have. There is also a story video by Mrs Hutchings of a book called 'Joy' that you can watch too!

Creative Task

Listen to Holst 'The Planets' - Can you use your body to move in different ways, letting your body respond to the music. How does the music make you feel?
