

**Weekly Checklist**

Try and tick off as many of these activities as you can each week as part of your home learning! Colour in the circles each time you complete the activities.

Reading

Aim for 20 minutes per day:

Mon ☐ Tue ☐ Wed ☐ Thur ☐ Fri ☐

Spellings

This week revise 'ly' suffix ending. Practise writing sentences with adverbs to describe an action. Eg: Mrs Nash was swimming slowly. Remind children of the y-l rule such as happy turns into happily – swapping the y for an l.

Mon ☐ Tue ☐ Wed ☐ Thur ☐ Fri ☐

Writing – Space! Write a fact file/poster about a space event or something about space that interests you. E.g.: planets, rockets, first dog in space, Mars Rover, Nasa hidden figures, 202 launch to space station. Try and do a little each day and use your editing skills.

Mon ☐ Tue ☐ Wed ☐ Thur ☐ Fri ☐

**Physical Activities**

Please see our school website for lovely PE videos for games and activities from our fantastic specialist PE teachers, Abi & Jenny or do some yoga/dance/mindfulness on Cosmic Kids each day:

Topic / Understanding the World

Moon craters!

To help you learn and explore how moon craters are made, have a look at the link, which shows you a science experiment to make your own moon dough complete with craters!

**PSHE**

Feeling grateful – During this strange time, it can be easy to forget all the good and positive things we have in our lives. Use the links below to help you learn and think about how you can feel grateful.

<https://www.youtube.com/watch?v=JlodsXEvo4U>

Talk to your family or a friend about what you are thankful and grateful for.

Draw a picture of the things you think of. Write around it what you can do to feel positive and show

you are grateful for the things you have. There is also a story video by Mrs Hutchings of a book called 'Joy' that you can watch too!

Gratitude is one of the sweet shortcuts to finding peace of mind and happiness inside. No matter what is going on outside of us, there's always something we could be grateful for.

Creative Task

Listen to Holst 'The Planets' - Can you use your body to move in different ways, letting your body respond to the music. How does the music make you feel? Using your body as percussion can you create your own piece of music to go with a planet of your choice?
