

**Weekly Checklist**

Try and tick off as many of these activities as you can each week as part of your home learning! Colour in the circles each time you complete the activities.

Reading

Aim for 20 minutes per day:

Mon ☐ Tue ☐ Wed ☐ Thur ☐ Fri ☐

Spellings/Phonics - Practise these initial blends-

gl, bl, fl, cl, sl

What words can you think of that **start** with these blends? Can you find any objects around the house that have this blend at the beginning? Draw and write each one down. E.g. glasses, blocks, flower, clock, slippers etc.

Mon ☐ Tue ☐ Wed ☐ Thur ☐ Fri ☐

Writing – Planet Earth Week - Key Text - 'Here We Are' By Oliver

Jeffers <https://www.youtube.com/watch?v=kkcjKbbF9JA>

Think about the animals on Planet Earth. What are they like? What animals do you know already? Where do they live? Can you design your own animal and draw a picture of where you think it should live? Write a description to tell people about your design. E.G. My animal has soft, furry skin, big eyes and a curly tail.

Mon ☐ Tue ☐ Wed ☐ Thur ☐ Fri ☐

Physical Activities - Please see our school website for lovely PE videos for games and activities from our fantastic specialist PE teachers, Abi & Jenny or do some yoga/dance/mindfulness on Cosmic Kids each day:

<https://www.youtube.com/user/CosmicKidsYoga>

Mon ☐ Tue ☐ Wed ☐ Thur ☐ Fri ☐

Maths Practise

Daily practise – counting on and back to 20

<https://www.youtube.com/watch?v=u8tpjZtx9WQ>

Mon ☐ Tue ☐ Wed ☐ Thur ☐ Fri ☐

Maths Challenge

This week's maths challenge is.... Use all your knowledge to help you solve problems using sharing

<https://pbskids.org/curiousgeorge/busyday/dogs/>

<https://nrich.maths.org/2358>

-A squirrel collects 10 nuts to share with her 5 babies. How many nuts will each baby have? Draw the nuts to check.

-Share out 15 biscuits between 5 of your toys. How many biscuits does each toy have? Is it fair?

-Cut a piece of fruit into 8 pieces. If you shared them between you and a friend how many pieces would you have each?

Topic / Understanding the World - Animals

<https://www.twinkl.co.uk/resource/esl-animal-habitats-powerpoint-t-t-4796> - this is still Twinkl but it is FREE!!

<https://classroom.thenationalacademy/lessons/habitats/activities/1>
- a session to help learn about habitats

Use the links above to help you learn about animals and where they live around the world. Think about how their homes are similar or different and why. What do they need to survive? How does their habitat help them to do this?

PSHE

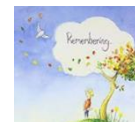

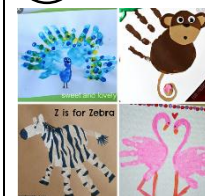

Talk about your favourite memories from Reception. What did you enjoy the most and why? Did anything funny happen that made you laugh out loud? What did you enjoy learning about? Who are your friends and why do you like them so much? What were your teachers like?

Think about what you can bring to your new class and teachers. What can you do? What makes you you? Draw a picture of all you are – inside and out! These stories may help: -

**Creative Task - Handprint Animals!**

Using your ideas for your very own animal or an animal that you enjoyed exploring in the topic section; why not create a handprint animal?! You can use lots of resources to help you from pens and paint, to collage pieces to really bring your animal to life. Let your imagination run WILD!
