

## Maths

As mathematicians we will be:

- Exploring subtraction
- Linking addition and subtraction facts together.
- Counting backwards from 20.
- Finding the difference between numbers
- Exploring 2D and 3D shapes
- Exploring place value to 20.

Key Vocabulary:

- Addition
- Subtraction
- Fact families
- Part and whole
- 2D and 3D shape
- Tens and ones

## Phonics (Daily)

Red words- we will be learning strategies to read and spell tricky words.

Sounds- we will be reviewing the stage 2 song of sounds. We will continue to practice our segmenting and blending skills.

## English

### Writing:

We are writing journey stories and sequels to *The Worst Princess*.

To support our understanding of non-fiction we will be writing country fact files.

We will be deciding on what we need to do to make our writing even better and putting this into targets.

We will be concentrating on using capital letters, full stops and finger spaces correctly.

We will be learning to use 'and' in a sentence.

We will be using 'ed' correctly at the end of words.

### Speaking and listening

- Role play
- Working in groups

### Reading

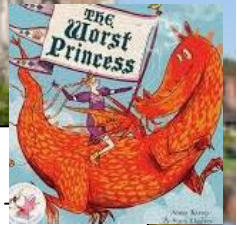

- Daily phonics
- Daily carefully selected story times.
- Daily independent reading

### Class reads:

- Princess Grace -
- King and King -
- Princess Boy -
- Not all princesses wear pink -
- The prince of pants!

### Core book:

*The Worst Princess*

# Kingdoms, Castles, and Crowns Autumn 2- 2020

### Weekly handwriting

Sitting 'right to write'  
\*Hold pen comfortably and correctly

- To form lower case letters in the correct direction using lead-ins
- To form digits from 0-9
- To form capital letters

## Expressive Arts & Design (EAD) - Art and DT

As artists...

- We will be exploring patterns through printing.
- We will be painting self-portraits.
- We will be looking the artists- Frida Kahlo, Rembrandt and Van Gogh and some of the techniques they used.
- We will be exploring symmetry by creating our own Coat of Arms.

PSED - we will be celebrating difference. We will look at how we are all different and special.

Home learning

Menu

- 1- Make a poster about one of the four countries of the United Kingdom.
- 2- Make a materials map of your bedroom - what is each of the objects made from?
- 3- English - write a description of your favorite character from a book. What adjectives will you use?
- 4- Maths - Can you make a subtraction story using the language First, Then and Now? E.g. First there were 15 dragons, then 10 were chased away by knights. Now there is only 5 left. You can illustrate your story and write a subtraction number sentence too.
- 5- Art- research an artist and draw a self-portrait in their style.

## Understanding the World

Geography

As geographers we will be:

- To start our geography learning we will be creating a 'birds eye view' picture to practice our map skills.
- We will be looking at how maps work and creating some of our own.
- We will be exploring the 4 countries and the 4 capital cities of the United Kingdom.

Science

As scientists we will:

Materials and their properties

- Investigate and describe materials.

Animals, including humans

- Describe how an animal is suited to its environment

Working Scientifically

- To plan and perform a simple test, and discuss findings.

To think of a scientific question and answer it through their enquiry

RE

We will be:

- Looking at Diwali and how it's celebrated
- Making Diva lamps.

Physical Development

Describe how their body feels before, during and after exercise.

With Jenny we will be learning games skills.

We will be learning some gymnastics - floor work.

Wider curriculum

Kingdoms, Castles and Crowns day- Friday 4<sup>th</sup> December.

Online Nativity performance - TBC
