

Hassocks Infant School

Anti Bullying Policy

★ Explore ★ Respect ★ Flourish

Date policy agreed:	November 2019
Date policy to be reviewed:	November 2022
Responsibility:	DSL and PSHE Lead

Introduction

This policy is based on DfE guidance “Preventing and Tackling Bullying” July 2017. It also considers the DfE statutory guidance “Keeping Children Safe in Education” 2019, “Teaching Online Safety in School” 2019 and ‘Sexual violence and sexual harassment between children in schools and colleges’ guidance.

Policy objectives

- This policy outlines what we do at Hassocks Infant School to prevent and tackle all forms of bullying.
- Hassocks Infant School is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

Responsibilities

It is the responsibility of:

- The Headteacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
- Governors to take a lead role in monitoring and reviewing this policy.
- All staff, including: governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
- Parents/carers to support their children and work in partnership with the school.
- Pupils to abide by the policy.

Definition of bullying

The Department for Education define Bullying as follows:

“behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally”.

(DfE “Preventing and Tackling Bullying”, July 2017)

Types of Bullying

Cyber-Bullying

The rapid development of, and widespread access to, technology has provided a new medium for ‘virtual bullying’, which can occur in and outside school. Cyber-bullying is a different form of bullying which can happen beyond the school day into home and private space, with a potentially bigger audience, and more accessories as people forward on content.

Racist Bullying

This refers to a range of hurtful behaviour, both physical and psychological, that make the person feel unwelcome marginalised and excluded, powerless or worthless because of their colour, ethnicity culture, faith community, national origin or national status.

Homophobic Bullying

This occurs when bullying is motivated by a prejudice against lesbian, gay or bisexual people.

Sexual and Gender Based Bullying

Sexual bullying is a serious issue that needs to be tackled. Although there is no official definition, sexual bullying is a behaviour, physical or non-physical, where sexuality or gender is used as a weapon against another. Sexual bullying is any behaviour which degrades someone, singles someone out by the use of sexual language, gestures or violence, and victimising someone for their appearance. Sexual bullying is also pressure to act promiscuously and to act in a way that makes others uncomfortable.

Vulnerable Groups

We recognise that some groups of children may be more vulnerable to bullying, including:

- *Looked After Children*
- *Young carers*
- *Gypsy, Roma and Traveller children*
- *Children with Special Educational Needs or Disabilities (SEND) (including mental health)*
- *Children from ethnic minorities*
- *Children entitled to Free School Meals*
- *Children for whom English is an Additional Language*
- *Children who are perceived to be gay, lesbian or bisexual*

Our School Ethos

At Hassocks Infant School we nurture and inspire children to equip them for a journey of lifelong learning.

Our vision is to create a learning community where all learners:

- ◆ Explore
- ◆ Respect
- ◆ Flourish

All members of our school community will **respect** themselves and others. We will provide a setting based on mutual respect. We will have self-belief in our individuality. We will show respect to our environment and take opportunities to nurture and protect it. We respect others differences and ideas; learning from each other.

Our community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing. By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.

Bullying Prevention

Environment

As a school community we:

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others, which will be upheld by all.

- Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).
- Recognises the potential for children with SEN and disabilities to be disproportionately impacted by bullying and will implement additional pastoral support as required.
- Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.
- Challenge practice and language which does not uphold the school values of tolerance, non-discrimination and respect towards others.
- Be encouraged to use technology, especially mobile phones and social media, positively and responsibly.
- Work with staff, the wider community and outside agencies to prevent and tackle concerns including all forms of prejudice-driven bullying.
- Actively create “safe spaces” for vulnerable children and young people.
- Celebrate success and achievements to promote and build a positive school ethos.

Policy and Support

The whole school community will:

- Provide a range of approaches for children, staff and parents/carers to access support and report concerns.
- Regularly update and evaluate our practice to consider the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.
- Take appropriate, proportionate and reasonable action, in line with existing school policies, for any bullying brought to the schools’ attention, which involves or effects pupils, even when they are not on school premises; for example, when using school transport or online, etc.
- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

Education and Training

The school community will:

- Train all staff, including: teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff) and pastoral staff, to identify all forms of bullying and take appropriate action, following the school’s policy and procedures, including recording and reporting incidents.
- Consider a range of opportunities and approaches for addressing bullying throughout the curriculum and other activities, such as: through displays, assemblies, peer support, the school/student council, etc.
- Collaborate with other local educational settings as appropriate, and during key times of the year, for example during transition.
- Ensure anti-bullying has a high profile throughout the year, reinforced through key opportunities such as anti-bullying week.
- Seek to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.
- Provide systematic opportunities to develop children’s social and emotional skills, including building their resilience and self-esteem.

Golden Rules

Our Golden Rules are regularly promoted through daily teaching and regular assemblies. When pupils following these rules, and staff reinforcing them, bullying should be significantly reduced. Our Golden Rules are as follows:

- ◆ We will walk safely and quietly around our school.
- ◆ We will listen to each other and show respect to others.
- ◆ We will be polite, kind and friendly.
- ◆ We will always try our best.
- ◆ We will take care of our school environment and resources.

Behaviour Policy

Our Behaviour Policy includes rewards and sanctions which are used consistently, alongside positive relationships, to prevent inappropriate behaviour, and promote positive behaviour.

Involvement of pupils

We will:

- Involve children in policy writing and decision making, to ensure that they understand the school's approach and are clear about the part they play in preventing bullying.
- Regularly canvas children and young people's views on the extent and nature of bullying.
- Ensure that all children know how to express worries and anxieties about bullying.
- Ensure that all children are aware of the range of sanctions which may be applied against those engaging in bullying.
- Involve children in anti-bullying campaigns in schools and embedded messages in the wider school curriculum.
- Utilise pupil voice in providing pupil led education and support.
- Publicise the details of internal support, as well as external helplines and websites.
- Offer support to pupils who have been bullied and to those who are bullying to address the problems they have

Involvement and liaison with parents and carers

We will:

- Take steps to involve parents and carers in develop policies and procedures, to ensure they are aware that the school does not tolerate any form of bullying.
- Make sure that key information about bullying (including policies and named points of contact) is available to parents/carers in a variety of formats, including via the school website.
- Ensure all parents/carers know who to contact if they are worried about bullying and where to access independent advice.
- Work with all parents/carers and the local community to address issues beyond the school gates that give rise to bullying.
- Ensure that parents work with the school to role model positive behaviour for pupils, both on and offline.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively, to raise concerns in an appropriate manner.

Signs of Bullying

Staff should be vigilant in looking out for signs of bullying or other child protection issues including:

- *Physical:* unexplained bruised, scratches, cuts, missing belongings, damaged clothes, or schoolwork, loss of appetite, stomach aches, headaches, bedwetting.
- *Emotional:* losing interest in school, withdrawn, secretive, unusual shows of temper, refusal to say why unhappy, high level of anxiety, mood swings, tearfulness for no reason, lack of confidence, headaches and stomach aches, signs of depression.
- *Behavioural:* asking to be taken to school, coming home for lunch, taking longer to get home, asks for more money, using different routes to school, 'losing' more items than usual, sudden changes in behaviour and mood, concentration difficulties, truancy.

Responding to Bullying

All cases of alleged bullying should be reported to the Headteacher/Deputy Headteacher or senior member of staff. In any case of alleged bullying, either the Classteacher, the Headteacher, or a senior member of staff should first establish the facts, and build an accurate picture of events over time, through speaking to the alleged perpetrator(s), victim(s) and adult witnesses, as well as parents and pupil witnesses if necessary and appropriate.

If the allegation of bullying is upheld, the Headteacher (or senior leader) should seek to use a restorative approach with the perpetrator(s) and victim(s) together. The perpetrator(s) should fully understand the consequences of their actions on the victim(s), and apologise without reservation. Both parties should be clear that a repeat of these behaviours will not be acceptable.

All bullying incidents must be recorded and parents of both parties should be informed.

If the situation does not improve, the Headteacher (or senior leader) should meet with the parent(s) of the bullying child(ren) and agree clear expectations and boundaries which would be shared with the pupils involved. Any further incidents should lead to intervention (e.g. through outside agencies), further monitoring, support and punitive sanctions as deemed necessary. Any necessary action should be taken until the bullying has stopped.
